MOREE BAR IN ENTRANCE HALL OF THE WZ

Customer	Westdeutsche Zeitung GmbH & Co. KG, Wuppertal/Germany
Project	Redesign of customer reception at the headquarters, 2017
Requirements	In a smaller space a reception area has been created which as subtly as possible offers space for both storage and catering.
Solution	Freestanding use of the MODULAR LED BAR in 360 degree design with backside entrance. The round shape offers maximum storage space inside and plenty of space for communication with customers and guests. Including fridge, sink and dishwasher. For seating the Moree bar stool ‚ED‘ is used.
